Davis 1958 Professor of History at Princeton University, re-examines the contagion of constitutions across continents and its meanings. She also questions the future of this genre in a world where human relationships with words and print are dramatically shifting.

The style and flavor of this 18th century classic is faithfully maintained in a modern rendering. Here is all the charm of the original: the quickness of emotion, the directness of action, the intrigues, disguises and humor. When the delightful servant Truffaldino becomes embroiled in the problems of two sets of lovers, he gets more than he bargained for. Servant of Two Masters is one of the great classic commedia dell'arte plays of world drama.

Music & Lyrics by Lin-Manuel Miranda | Book by Quiara Alegria Hudes

"A groundbreaking 21st-century musical. This extraordinary blend of old and new pushes the sound of Broadway even deeper into fresh territory. It's one of the most satisfying musicals in years." – New York Magazine

From the Pulitzer Prize-winning creators of Hamilton, don't miss this Tony Award-winning hip-hop musical. Set in the Washington Heights neighborhood of New York's upper-upper West Side, this vibrant musical tells the story of Usnavi, whose parents emigrated from the Dominican Republic to give him a better life. Usnavi and his neighborhood inhabitants struggle with identity, the heat, and their daily lives. Don't miss the musical that made Lin-Manuel Miranda a star!
