*The spread of political constitutions around the world since the 18th century is usually linked to a notion of the inexorable rise of democracy and studied only with regard to particular nation-states.*

*It is also generally looked at in isolation from other forms of literature. Linda Colley, the Shelby M. C. Davis 1958 Professor of History at Princeton University, re-examines the contagion of constitutions across continents and its meanings. She also questions the future of this genre in a world where human relationships with words and print are dramatically shifting.*

*Music & Lyrics by Lin-Manuel Miranda | Book by Quiara Alegría Hudes*

*"A groundbreaking 21st-century musical. This extraordinary blend of old and new pushes the sound of Broadway even deeper into fresh territory. It's one of the most satisfying musicals in years." – New York Magazine*  
*From the Pulitzer Prize-winning creators of Hamilton, don't miss this Tony Award-winning hip-hop musical. Set in the Washington Heights neighborhood of New York's upper-upper West Side, this vibrant musical tells the story of Usnavi, whose parents emigrated from the Dominican Republic to give him a better life. Usnavi and his neighborhood inhabitants struggle with identity, the heat, and their daily lives. Don't miss the musical that made Lin-Manuel Miranda a star!*
