The Knights of Queen

The Knights of Queen are the newest and hottest Queen tribute in the country. Given that he's been dubbed as the reincarnated Freddie Mercury, frontman Gabriel Harrod is quite the spectacle. Trained and vocally coached under the acclaimed Kings of Queen's Emo Alaeddin, Harrod's vocal tone and range and striking resemblance to Freddie Mercury, makes the live shows just like the real thing.

Despite the numerous voices on Queen records, The Knights of Queen possess the ability to bring the 5-part harmonies live to the stage without any need for overdubs or vocal tracks.

Don't miss out on an opportunity to relive the magic of Freddie Mercury and Queen.

Seating starts at 9:45pm

Soul Asylum

Since the '80s, Soul Asylum have been a group known for their raucous and emphatic combination of punk energy, guitar-fueled firepower, and songs that range from aggressive to heartfelt.

Initially known as Loud Fast Rules, Soul Asylum formed when Pirner was still in high school, and quickly became part of the celebrated Minneapolis music scene along with peers like The Replacements and Hüsker Dü. After leaping to mainstream success with Grave Dancers Union, the band kept up the momentum with 1995's platinum-certified Let Your Dim Light Shine, which featured the international hit "Misery," and appearances on the soundtracks of the Kevin Smith cult classics Chasing Amy and Clerks.

At the end of the day, however, Pirner isn't necessarily one for nostalgia. The band regularly book festival dates and tours (including in 2024 with the Juliana Hatfield Three), while Pirner and Smith also continue to do stripped-down acoustic shows.

More than 40 years after Soul Asylum coalesced as a band, his prolific songwriting, combined with an energetic and unparalleled live show, ensures that the band isn't stopping anytime soon.

Murder Mystery Magic Show at the Oroville State Theater

Oroville State Theater

1489 Myers St.

Oroville, CA 95965

Show Starts at 7:00 PM

Oroville State Theater, (530) 538-2470

info@orovillestatetheatre.com

This is an interactive illusion show with a murder theme. The audience gets to solve murders and crimes. Will you survive?

Are you ready to solve the clues and stop the murders? This is an interactive illusion show where you will be making decisions that will have a dramatic impact on your fate. Your choices will often have deadly consequences. You will have your mind read. Advanced psychological tricks and deceptions will make you question your own thoughts. You may find out that you are much more devious than you ever imagined.

Magician and mentalist Robert Vogel uses illusions that have been seen on national TV programs. He has performed for theaters, corporations, nonprofits all across the west coast.

This is not a show for the faint of heart. This show will blur the lines between reality and illusion. Many of the demonstrations can best be described as magic with a dark side. Sarcastic and twisted humor are part of every show. You have been warned.

You will laugh, you will scream, you will gasp, but will you survive?
